## | Viticulture and Vinification |

100 % estate grown grapes from our Vineyards. Gently destemmed and crushed, the grapes were cold macerated for 2 days at 5°C before being inoculated with selected yeast for the alcoholic fermentation which took 3 weeks at 27°C. Gently pressed, centrifuged and then put through a full malolactic fermentation, the wine was then matured for 3 months with French oak staves.

## | Tasting notes |

Vibrant, floral aroma of spiced plums, vanilla toffees and peppery aromas with a silky, dry-yet-fruity medium body and a long, tangy raspberry finish with elegant tannins. Exceptionally tasty and nicely balanced for sipping or the table.
