| Viticulture and Vinification |

100% estate grown grapes from our Dealul Uberland vineyard. 25% of the grapes were transferred directly into 1000 kg bins, without being destemmed, then sealed and put through a carbonic maceration fermentation for 10 days in order to produce a strawberry fruity part of the blend. The remaining 75% was destemmed, lightly crushed and then macerated and fermented normally at 25° C in stainless steel automated fermenters. Both wines were then separately pressed and the noncarbonic maceration wine was lightly oaked for 2 months with French oak staves. Finally, our winemakers created a perfect blend of the two types of wine and it was prepared for bottling.

| Tasting notes |

Gorgeous flavors, almost syrupy in its concentration. Dark, rich and potent, with layers of complex black cherry, raspberry and cinnamon. Deep, with pretty fruit cake and spicy aromatics. Lingering aftertaste.
