| Viticulture and Vinification |

Fetele Fetească Regală is harvested from carefully selected micro-parcels of our oldest and best plantations on Uberland hill- where the limestone bedrock comes to the surface making the vines work harder for water and nutrients. Vinified in a fully drier style using 1 year old allier oak, and extended lees contact with the aim of producing more elegant mouthfeel.

| Tasting notes |

Straw yellow colour with hints of green. Mineral notes with intense aroma of elderflower and peach blossom. Full bodied and packed with white peach, Williams pear flavours, grippy acidity and a smooth intense finish.

| We recommend this wine with: |

Caprese salad, chicken or turkey salads, Asian dishes, grilled fish, turkey roll, tuna steak, desserts with vanilla, peaches, mango, pineapple.
