## | Viticulture and Vinification |

100 % estate grown grapes, from our Dealul Uberland and Dealul Tiganului vineyards were destemmed and lightly crushed, then directly pressed gently and sent for decantation (settling). The juice was then fermented at 11°C for 17 days in stainless steel automated fermentation tanks, before filtration and preparation for bottling.

## | Tasting notes |

Aromas of fresh fruit dominate this wine - green apple, citrus with hints of lime. Packed with flavors of juicy fresh fruit - white melon and a crisp refreshing acidity, with a zingy finish.

## | We recommend this wine with: |

Green cheese, hard cheese, fish salad, caviar salad, roasted anchovies, fish sticks, pasta with pesto sauce, fish in the oven and desserts (tarts) with apricots, pears.

## | Serving temperature:|
