| Viticulture and Vinification |

Sole Fetească Regală comes from selected areas of the vineyard. Typically they are the areas known to produce better grapes. The grapes are given an extended ripening period to allow development of more intense flavour. The grippy mouth feel, typical for Fetească Regală is well expressed in this wine by allowing full fermentation to dryness, to create a sophisticated palate.

| Tasting notes |

Golden yellow with greenish reflections, good limpidity. Mineral, with slight tints of black locust flowers and the discovery of white ripped fruits in the background (peaches, pears, pineapple). Good acidity, elegance, present mineralisation, balance and a medium aftertaste.
